Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the *700 West Project* in surface transportation reauthorization legislation.

The project sponsor for this project is the *City of South Salt Lake* and is located at *700 West, South Salt Lake City, UT 84115*.

The funding is designated for *replacing the failing asphalt pavement with concrete pavement between 3300 South and 3900 South. Pedestrian, drainage, and bike facilities will be upgraded by filling in sidewalk, curb and gutter, and adding bike lanes. The project will also add dual left turn lanes from southbound 700 South to eastbound 3900 South.*

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: *700 West is a collector road that serves residential areas, the County Jail, a transit maintenance facility, and light industrial businesses.*

I certify that neither I nor my immediate family has any financial interest in this project."

Sincerely,

A handwritten signature in black ink, appearing to read 'B. Owens', with a stylized flourish extending to the right.
